

NOTICE OF VISITOR AND COVID-19 SCREENING POLICY

STOP AND READ

VISITOR POLICY:

ONE visitor per patient may be permitted to enter facility under one or more of the following circumstances:

- Visitor is required for the provision of medical care or support of activities of daily living
- Visitor is the power of attorney or court-appointed guardian for a patient
- If patient is 21 years of age or under, visitor is patient's parent, foster parent, or legal guardian
- Visitor is visiting patient in serious or critical condition or in hospice care
- Visitor is visiting under exigent circumstances or for the purpose of performing official government functions

No other visitors are permitted to enter facility. Patients and permitted visitors must wear a mask or other face covering over his or her nose and mouth for the duration of their visit while inside the facility if medically tolerable.

COVID-19 SCREENING POLICY:

Every patient and permitted visitor must be screened prior to entry to facility.

No visitors are allowed to enter facility if they have:

- Experienced any of the following symptoms: fever above 100.4 degrees, cough, shortness of breath or difficulty breathing, sore throat, chills, repeated shaking from chills, muscle pain, headache, new loss of taste or smell, flu-like symptoms or diarrhea, within the past 24 hours, OR
- Other COVID-19 risk factors (traveled internationally or domestically outside of Michigan, exposure to person with confirmed COVID-19 diagnosis within the past 14 days, etc.)

Patients who have symptoms or other COVID-19 risk factors may be asked to reschedule their appointment. For the health and safety of patients, visitors, and our healthcare staff, we reserve the right to deny visitation, reschedule patient appointments, or make alternative treatment arrangements at any time. Thank you for helping us provide a safer environment for our patients and staff.
